

Alexandria Gazette.

TUESDAY EVENING, NOV. 22, 1904.

Local Matters.

Sun rises tomorrow at 6:51 and sets 4:42. High water at 7:14 a. m. and 7:31 p. m.

WEATHER PROBABILITIES.—For this section partly cloudy and warmer tonight. Wednesday cloudy, probably rain; variable winds.

Personal.

Dr. J. D. Gatewood, U. S. N., is at home on a short leave of absence.

Mrs. Minnie Wheat Herwig has returned from abroad and is visiting in Washington.

Mr. Charles H. Zimmerman is visiting New York.

Gen. Fitzhugh Lee arrived in Washington last evening and is at the Shoreham.

Engineer William Bayless, who was seriously injured in an accident several months ago on the Southern Railway, has returned to duty.

Misses Nannie and Janie Ballenger, daughters of Mr. Robt. Ballenger, left today to visit relatives in Philadelphia.

A letter received today by a friend of Mrs. Stephen Putney, of Richmond, from the Putney's home, reports no tidings of her missing son; also Mrs. Putney received a 'phone message last night from her stepson, Langhorne Putney, who is still in St. Louis, saying there was no clue.

A Cause of Complaint.

People who visit the cemeteries adjoining this city are loud in their complaints of the condition of the pavement in front of the Southern Railway water tank on the north side of Wilkes street, a short distance west of Henry. The perpetual drainage or leakage from the tank keeps the sidewalk in a bad condition, and in freezing weather ice forms and endangers life and limb. As is well known, up to a decade and a half ago there were practically no sidewalks from Alfred street to the National cemetery. The government constructed a macadam road for a distance of about six squares and laid a brick pavement and curbing. This has been a great convenience to the entire community, and it is hoped the present eyesore will soon be eliminated by stopping the leak referred to or arranging for proper drainage.

Deaths.

Mrs. Edith Dennis, 23 years old, died at St. Elizabeth's Hospital, near Washington, yesterday, of strangulation following the eating of dried cakes. There had been a partial paralysis of her throat and she choked to death. She had been at the asylum for three years. The funeral will take place in this city tomorrow. She formerly resided in this city.

Nettie, the infant daughter of William H. and Maggie A. Sipple, formerly of this city, died in Washington yesterday.

Hiltraude, the infant daughter of Mrs. Mary and the late John Bergin, died at her mother's home, 110 North Fayette street, from membranous croup yesterday.

Police Court.

[Justice H. B. Caton presiding.]

The following cases were disposed of this morning:

Thomas Foley, arrested by Officers Roberts and Nicholson charged with disorderly conduct, was dismissed.

Jack Smith and Ernest Schwarz, both colored, arrested by Officer Nicholson charged with disorderly conduct and fighting, were fined \$5 and \$10 respectively.

Hattie Wilson and Temple Carter, both colored, arrested by Officers Nicholson and Allen for disorderly conduct, were fined \$2.50 each.

Charles Jones, colored, charged with carrying concealed weapons was fined \$20.

Slaves Assaulted and Robbed.

Several negroes last night broke into a house in Poor House lane occupied by Slaves employed in the railroad work west of this city. The negroes assaulted the foreigners, robbed them of between \$35 and \$40 and carried away two trunks belonging to the men. The Slaves came to this city and reported their loss, when Officers Allen, Roberts and Nicholson proceeded to the county and began a search for the robbers. They arrested four darkies, whom the Slaves recognized as their assailants, and placed them in the station house. The officers recovered one of the trunks.

River Notes.

The old steamer Phlox, which had been in the dock at the foot of King street for the last two years, has been hauled out on the ways at the shipyard, where the metal will be removed from her hull. The boat will later be broken up.

The schooner Flying Scud, from Norfolk with laths to Aitchison & Bro., has arrived.

The schooner Bertha May, from the lower river with wood to Mr. DeW. Aitchison, has arrived.

Taken to Pennsylvania.

James Selon, an Italian, who was arrested by Constable Cornell, of Alexandria county, several days ago and placed in the station house in this city on suspicion of having been implicated with Pearl Hartman in the robbery of a railway contractor at West Fairview, Pa., was turned over to Officer W. R. Writer, of that place, yesterday. The contractor is said to have been robbed of \$400. The woman had previously been arrested in Washington and taken to Pennsylvania.

Rummage Sale.

If anyone having donations for the rummage sale to be given for the benefit of the Public Church, will kindly notify Mrs. Wm. A. Smoot, Jr., by postal, a wagon will call for the articles on and after Friday morning, November 25. Second hand clothing, hats, shoes, furniture, carpets, pictures, china, tinware, books, etc., will be most acceptable to the ladies having this sale in charge. This sale is under the auspices of Mt. Vernon Chapter, D. A. R.

"Brown's in Town."

"Brown's in Town," the laughing farce will be the attraction at the Opera House tonight. It is in line with the very best of the comedies of the day. Its lines are said to be terse, the music catchy, the dances pretty and the situations are well handled. Its keenest satire is on the question of matrimony at an early age and the possible incidents are cleverly developed.

More Disorders in the County.

The case of the Italians who were arrested Sunday morning by the police of this city on a charge of assault and rioting near Four Mile Run came up before Justices Haney and Birrell in Alexandria county at 9 o'clock this morning. The accused were fined from \$2.50 to \$50 each, and sent to jail for terms ranging from 15 to 90 days.

The contractors discharged one hundred Italian laborers yesterday. Their places will be filled by colored men from North Carolina.

Messrs. Reiter, Curtis & Hill, contractors, notified the agent of the Washington-Southern Railway in this city this afternoon that further trouble was anticipated and the police station was apprised of the condition of affairs.

Officers Knight, Nicholson, Roberts and Allen proceeded to Four-mile run. They found that trouble had been precipitated owing to some misunderstanding among the workmen, which had subsided when the officers reached the scene. They remained at the camp for some time, anticipating further trouble.

Funeral.

The funeral of the late Mrs. Mollie Keys, wife of Mr. George W. Keys, took place this afternoon from the Methodist Episcopal Church South. Rev. Messrs. Stump, Regester, Duffey and Brooke officiated. The pallbearers were Dr. W. M. Smith and Messrs. J. E. Alexander, R. W. Arnold, T. B. Cochran, H. K. Field, John Watkins, George Mays and William Campbell. A large number of friends and acquaintances of the deceased attended.

Football.

The Alexandria Athletic team and the Tanglewoods, of Washington, will play a game of football on the old fair grounds on Thursday next (Thanksgiving Day). The game will be called at 2:30 o'clock.

The football team of the Alexandria Athletic Club yesterday defeated the third eleven of the Episcopal High School on the latter's grounds, near this city, by a score of 10 to 0.

Corporation Court.

[Judge L. C. Barley presiding.]

Daisy L. Purvis was appointed guardian of her four children.

In the matter of the rule issued against the City Council to show cause why a mandamus should not issue to compel that body to make suitable repairs to the city jail, City Attorney Boothe entered an appearance and the case was continued.

A Mysterious Find.

Early risers this morning had their attention directed at the corner of Duke and Royal streets to a necktie and collar, saturated with blood, which some person had attempted to throw into the sewer at that point. The collar measured 15 inches, and bore "T-339" as the laundry mark. There is reason to believe that the owner of the collar and tie had his throat cut.

Property Sales.

W. H. Anderson has sold to Annie L. Griffin a house and lot on the south side of Queen street between Royal and Pitt. Mr. R. F. Knox, trustee, has sold for Mr. J. R. Caton, trustee, who transferred the property to Messrs. J. K. M. Norton and C. C. Carlin, the square bounded by Madison, Montgomery, Alfred and Patrick streets.

Adverse Report.

It is understood that the committee on finance and general laws of the City Council will tonight report adversely on the petition of certain property owners on King street for a return of the amounts paid by them for the King street improvement. The matter will probably go to the courts.

Business College.

The Alexandria and Washington Business College at the southeast corner of King and Pitt streets, of which Prof. L. P. W. Stiehl is principal, is now in successful operation, 67 scholars being in attendance. This college fits one for nearly every branch of business.

Anniversary.

Magnus L. Robinson celebrated his 52nd anniversary at his home, 609 south St. Asaph street, last night. Many distinguished colored men were present among them W. H. Judd Malvin, Grand Master of Masons of the District of Columbia; Wm. H. Davis of the Citizens' National Bank of this city, and others. Booker Washington sent a letter of congratulation as did also R. H. Terrell of the Justice Court of Washington, S. H. Safford of Howard University, and Donald Murray of the Library of Congress.

A Startling Test.

To save a life Dr. T. G. Merritt, of No. Mehoopany, Pa., made a startling test resulting in a wonderful cure. He writes, "A patient was attacked with violent hemorrhages caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles so I prescribed them. The patient gained relief on the second bottle. He is now cured and has no more trouble. Electric Bitters are positively guaranteed for Dyspepsia, Indigestion, Constipation and Kidney troubles. Try them. Only 50c at E. S. Leadbeater & Sons.

Thousands Cured.

DeWitt's Witch Hazel Salve has a box of dozens of cases of Piles. "I bought a box of DeWitt's Witch Hazel Salve on the recommendation of my druggist," so writes C. H. Lacroix, of Zavalla, Tex., "and used it for a stubborn case of Piles. It cured me permanently." Sold by all druggists.

Only Makes a Bad Matter Worse.

Perhaps you have never thought of it but the fact must be apparent to every one that constipation is caused by a lack of water in the system, and the use of drastic cathartics like the old fashioned pills only makes a bad matter worse. Chamberlain's Stomach and Liver Tablets are much more mild and gentle in their effects, and when the proper dose is taken their action is so natural that one can hardly realize it is the effect of a medicine. Try a 25 cent bottle of them. For sale by Gibson & Timberman and W. F. Creighton & Co., druggists.

Washington-Southern Railway.

LOCAL BREVITIES.

The City Council meets tonight.

The Friday afternoon teas at the Golf Club will be discontinued until next spring.

The glass globe of the electric light at the intersection of King and Pitt streets was broken last night.

Mr. J. D. Knight has been given the contract by Mr. Charles Bendheim for remodeling two houses on Queen street, between Pitt and St. Asaph.

Marriage licenses were issued in Washington yesterday to John M. Roberts and Lucy E. Robertson, both of Orange county; Norman R. N. Firor and Ellen E. Bittenbender, and Roy A. Baumbach, of this city, and Mabel E. Mero, of Accotink.

A colored man under the influence of whiskey fell from an electric train at King and Royal streets yesterday evening and his head coming in contact with the brick roadway he was stunned. The man was picked up and placed on the pavement. He soon revived.

Frank Butler, colored, was arrested yesterday at Arlington by Jos. F. Glover, deputy U. S. marshal, upon a warrant issued by J. W. Wormley, U. S. commissioner at Arlington, and after a hearing was sent to jail in Alexandria to await the action of the grand jury of the U. S. Court in January next.

COURT OF APPEALS.

Proceedings before the Court of Appeals yesterday were:

Spangler vs. Booze, submitted on briefs. Carter vs. Harwood, error confessed. Rhea and others vs. Shie's trustee and others, argued and continued until today.

The next cases to be called are Richmond, Fredericksburg and Potomac Railroad Company vs. Johnston and others, Beach vs. Bellwood and others, and Burwell vs. Burwell's administrator.

Opinions will be handed down tomorrow and not Thursday, and as the latter day is Thanksgiving, the court will not sit.

Threatened Lynching.

A mob last night again formed in Lexington, Ky., for the purpose of lynching Jim Garfield, John Taylor and Ed Taylor, negroes, under arrest for the murder of William Moore, a white man. An attempt to lynch the negroes Sunday night after the murder was abandoned. The mob became so threatening that County Judge Bullock advised that the militia be called out. Constables and deputy sheriffs to the number of fifty were put on guard at the jail, and all day policemen were called from bed to reinforce the night force. The police reinforced the situation as grave. At 11 o'clock last night Col. R. E. Williams, of the Second Regiment, called Company C into service. Runners went for the soldiers in all parts of the city. County Judge Bullock was at the jail with the chiefs of police and detectives and sheriffs directing precautionary means.

Bride 70, Groom 55.

Mrs. Sarah Bradford, 70 years old, and Mr. Joseph Sherwood, aged 55, of Onancock Va., were married Sunday night at the bride's cottage by Rev. Peter B. Hendelrie, of the Presbyterian church. The bride was dressed in a pretty shirtwaist and skirt of latest fashion and was very prompt in her answers during the ceremony. She looked the younger of the two. A few friends were present. This is the second venture in matrimony by both bride and groom, and they seemed very enthusiastic. Mr. Sherwood is a retired farmer, and rumors were heard some time ago that a rich relative of the bride had died in Montana after making a fortune in copper and that she was the only legal heir.

Brothers Wed Sisters.

Rev. E. M. Nelson, Andrew Nelson and Charles Nelson, brothers, were married at Chippewa Falls, Wis., to Jessie Johnson, Amanda Johnson and Clara Johnson, sisters. After the triple ceremony Rev. C. J. Erdman, who had conducted it, asked Rev. Mr. Nelson, one of the newly married brothers, to marry him to one of the guests, which was done. All the bridegrooms and all the brides will go in a party to the World's Fair for a honeymoon trip.

Reforms in Russia.

A dispatch from St. Petersburg says: "In order to secure the development of the life of the state and the people of Russia, it is imperative necessary that there be regular participation of national representatives, sitting as an especially elected body, to make laws, regulate the revenue and expenditure and control the legality of the actions of the administration." The above is the final form of the declaration of Zemstvo, or provincial council, representatives in favor of the election of a body not merely to participate in legislative, as at first reported, but to be entrusted with the framing of the laws of the empire.

The meeting yesterday also adopted a declaration in favor of granting general amnesty to political offenders imprisoned or exiled by administrative order.

This complete program declaring the necessity of the participation by the people in the government was signed by 102 zemstvo presidents, including presidents of provincial zemstvo committees out of 32 who attended the meeting.

Coley Hudgins, of Mathews Court-house, is dead by the hands, as alleged, of his cousin, Irvine D. Hudgins. There had been bad blood between the men for several months. /s Irvine was passing Coley's place Sunday he was accosted, and, being the smaller man, was knocked down. As he arose he fired two shots from his pistol, striking his cousin above and below the heart and killing him instantly. Both men are married and each has four children.
